

NEPAL TELECOM

MENTOR'S RECOMMENDATION LETTER
TO WHOM IT MAY CONCERN

I am pleased to recommend Mr. Kshitij Rai, who successfully completed his internship at Nepal Telecom.

During his tenure, Mr. Rai made significant contributions, particularly through the development of the Employee Information Service Portal. He demonstrated strong technical skills in full-stack development, OTP authentication, secure login systems, and dynamic content loading using HTML, CSS, JavaScript, and Bootstrap.

Mr. Rai worked collaboratively with colleagues across various departments, ensuring a smooth user testing process. His proactive approach, analytical mindset, and problem-solving capabilities were commendable.

I am confident in Mr. Rai's abilities and recommend him for future opportunities. He will be a valuable asset to any organization. For further details, please feel free to contact me at +977 9851095212.

Sincerely,
